**what i do:**

write the copy, visualize, nitpick, think conceptually, improve, enjoy

**what you could do:**

look at my book and give me feedback, or better yet a job

**things that have gotten me here:**

University of Texas (fall 00 - summer 05)

b.s. in advertising  
concentration in african american studies  
texas creative

what it taught me: to take criticism well, to try again, to  
multi-task, to work well with others, to meet deadlines

GSD&M (nov. 99 - may 01)

creative coordinator intern  
experiences: acted as a liaison between creatives and  
other departments, went on a 3-day Chili's TV shoot, filed  
expense reports, ran errands, kept a spreadsheet of jobs

Austin Addys (feb. 05)

gold addy for student print campaign  
hue-man (african american bookstore)
